(B) Material changes subsequent to the Balance Sheet

There were no material change(s) and commitment(s) from the close of the financial year till the signing of the Board's report affecting the financial position of the Company.

(C) Industry Scenario

Amidst an uncertain and challenging global macroeconomic environment, the Indian economy presents a picture of confidence, positivity and optimism. We have emerged from the recent spate of shocks with stronger fundamentals – inflation is easing; bank and corporate balance sheets are stronger than before; fiscal consolidation is on course and its quality has improved; and the external balances are eminently manageable with strong forex reserves. The decisive and timely monetary policy actions of the Reserve Bank of India through appropriate policy rate and liquidity measures helped India's quick and sustained recovery.

Recent growth outturns have surprised most forecasts on the upside. After clocking real Gross Domestic Product (GDP) growth of 7.2 per cent in 2022-23, real GDP is expected to grow by 7.3 per cent during 2023-24. With strong domestic demand conditions, India remains the fastest growing major economy and is now the fifth largest economy in the world. In fact, in Purchasing Power Parity (PPP) terms, India is already the third largest economy. The International Monetary Fund (IMF) has projected that India's contribution to world growth will rise from the current 16 per cent to 18 per cent by 2028.

The RBI's latest assessment of the performance of the banking sector, including co-operative banks, and non-banking financial institutions points to a steady expansion in the consolidated balance sheet of the Scheduled Commercial Banks (SCBs), driven by credit to retail and services sectors. Higher net interest income and lower provisioning boosted Net Interest Margins (NIMs) and profitability. SCBs' Gross Non-Performing Assets (GNPA) ratio fell to a multi-year low of 2.8 per cent and the Net Non-Performing Assets (NNPA) ratio to 0.6 per cent at end-March, 2024.

In parallel, transactions between Banks and Asset Reconstruction Companies (ARCs) have shown significant activity, reflecting the evolving dynamics of the distressed asset market. ARCs have been instrumental in relieving banks of non-performing assets, allowing them to focus on core operations.

In F.Y. 2023-24, ARCs acquired assets worth Rs. 1.2 Lakh Crores from banks, marking a 15% increase from the previous year. The number of security receipts issued by ARCs grew by 15%, reaching Rs. 2.8 Lakh Crores, with Rs. 1.5 lakh Crores currently outstanding.

"Restructuring of loans" and "Sale of Assets" remained the primary modes for recovery for the ARCs during F.Y. 2023-24. Notably, recovery through restructuring of loan assets by ARCs saw a 43% rise year-on-year, amounting to Rs. 7,948 Crores. However, recovery through asset sales saw a 13% year-on-year decline, amounting to Rs. 7,469 Crores.

The Reserve Bank has comprehensively restructured the regulatory framework for asset reconstruction companies (ARCs) to ensure it aligns with current developments and is forward-looking. This restructuring is designed to equip ARCs with the necessary tools and readiness to take proactive measures as needed. We believe this new regulatory architecture will support ARCs in navigating the evolving financial landscape effectively.

During the year under review, your Directors has not recommended any dividend for the financial year ended March 31, 2024 to the Equity Shareholders of the Company.

Information Other than the Financial Statements and Auditors Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include financial statements, and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the **UV Asset Reconstruction Company Limited** ("the Company") as of 31 March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

a. Burnpur Cement Limited (BCL) is a Non-Performing Asset, which was acquired by our Company on Debt Assignment basis under Section 5 of SARFAESI Act, 2002 from State Bank of India, Central Bank of India and Punjab National Bank and consequently UVARCL became secured creditor of BCL with 100% share in its debt. Pursuant to recovery of our dues, we initiated various recovery proceedings including invocation of pledge of shares by promoters of BCL. Due to the invocation of pledge, UVARCL has acquired shares of BCL and the same is presented as "repossessed assets held for sale", at the fair value of such shares as on the date of invocation of pledge. The objective of the invocation is not to hold the assets as investments, but to sell them and realise the cash flows, hence the said acquisition of shares is a transitory move, and they will eventually be sold.

b. All SR's are pledged except for Trust III, VI, VII, VIII, IX, XXX and XXXII as on 31.03.2024 (PY as on 31.03.2023 Trust X, XII, XVI and XXVI)

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources. Disclosure is also made in respect of a present obligation that probably requires an outflow of resources, where it is not possible to make a reliable estimate of the related outflow. When there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
