(B) Material changes subsequent to the Balance Sheet

There were no material change(s) and commitment(s) from the close of the financial year till the signing of the Board's report affecting the financial position of the Company.

(C) Industry Scenario

Global Economy

The global economy remained resilient during 2025-26 despite persistent trade and geopolitical uncertainties. Growth was supported by technology-led investment, fiscal and monetary support and relatively favourable financial conditions, while global inflation moderated. However, geopolitical tensions, trade policy uncertainties, fiscal vulnerabilities and financial market volatility continued to weigh on the outlook. The escalation of the West Asia conflict towards the end of the year further heightened risks relating to energy prices, inflation and supply chains.

Indian Economy

The Indian economy remained resilient during 2025-26, supported by steady domestic consumption, sustained investment and sound macroeconomic fundamentals. Buoyant services activity, improving industrial momentum and robust agricultural production supported growth, while softer commodity prices contributed to moderation in headline inflation.

Financial markets remained cautious amid global volatility. The Government continued its focus on fiscal consolidation and capital expenditure, while the external sector remained stable, supported by adequate foreign exchange reserves and a moderate current account deficit. Healthy corporate and banking sector balance sheets, strong domestic demand and continued policy support provide a positive foundation for growth, although geopolitical, trade, energy price and weather-related risks remain key near-term challenges.

Industry Outlook

The asset reconstruction industry remains closely linked to the asset quality of banks and financial institutions. The sector continued to benefit from improving banking sector fundamentals, although the moderation in fresh stressed assets has impacted the supply of new assets for acquisition to some extent.

As per the Reserve Bank of India's Monetary Policy Report – April 2026, the GNPA ratio of Scheduled Commercial Banks declined to 2.0% in December 2025 from 2.5% a year

earlier, reflecting broad-based improvement in asset quality. At the same time, sustained credit growth, selective sectoral stress and continued balance sheet clean-up by banks and financial institutions are expected to provide opportunities for ARCs.

The ARC sector witnessed continued activity in asset acquisition, resolution and SR redemption. As per the Association of ARCs in India, cumulative dues acquired by ARCs increased from ₹16,88,091 crore in September 2025 to ₹17,57,422 crore in December 2025, reflecting sustained sector activity. Corporate and large-ticket stressed assets, particularly across real estate, infrastructure and other leveraged sectors, continue to provide opportunities for structured resolution through the IBC, SARFAESI Act, restructuring and negotiated settlements.

The evolving regulatory framework, coupled with greater adoption of technology, data analytics and improved monitoring, is expected to strengthen asset evaluation and resolution efficiency.

The outlook for the asset reconstruction industry remains cautiously positive. While improving asset quality may moderate the supply of fresh stressed assets, selective stress across sectors and continued balance sheet clean-up are expected to create acquisition opportunities for well-capitalised and specialised ARCs.

ARCs are well positioned to leverage their expertise in asset evaluation, restructuring, enforcement and resolution to drive value-maximising recoveries and SR redemptions. Disciplined asset selection, robust due diligence, prudent investment and timely resolution will remain key to sustainable growth amid evolving regulatory and macroeconomic conditions.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No	Key Audit Matter	Auditor's Response
1	Valuation of Investments in Security Receipts: The Company has investment in SRs through various trusts as disclosed in the financial statements.	Our audit procedures included: An assessment of internal controls adopted by the management in determining fair values.

J.P., KAPUR & UBERAI

	The management has involved SEBI registered credit rating agencies for valuation of SR's. Reserve Bank of India has specified that an ARC should carry minimum provision as identified by the credit rating agencies. Considering the fair valuation of investments is significant to overall financial statements and any error in the estimate could lead to material misstatement in the financial statements. Refer note no. 8 to the financial statements.	We evaluated rationale of the models and accounting treatment applied. We compared the rating provided by the independent rating agencies. We discussed with management regarding resolution plan of various accounts and the roadmap ahead including additional provision that they have considered against specific accounts and their rationale. We assessed the disclosure related to investments in SR and fair valuation included in these financial statements.
2	Revenue Recognition: Trusteeship Fee, resolution agency fees, Recovery incentive and other operative incomes are the most significant account balances in the Statement of Profit and Loss. Key aspects relating to timing and recognition of revenue in respect of these are set out below: The calculation of investment management fees, is a percentage of NAV based on Assets Under Management ('AUM') of the funds managed by the Company, in accordance with guidelines prescribed under RBI regulations, as amended from time to time. Trusteeship Fee are recognised as per the provisions of the relevant trust deeds/offer documents on receipt basis. These are calculated on NAV determined on the basis of percentage of the Assets Under Management ('AUM') of the funds managed by the Company and ratings provided by credit rating agencies periodically. Refer note no. 15 to the financial statements.	Our audit procedures included: Understanding and evaluation of design and implementation of key controls in place around recognition of various fees charged by the company; Test checked management review controls over recognition of resolution agency fee, Trusteeship Fee, Recovery incentive etc. Substantive tests: Obtained credit rating certificates to check ratings provided by agency to arrive at AUM and NAV of same, subsequently reconciled various fee amounts included in the financial statements; Test checked Fee rates from the Trust deeds/ offer documents as agreed amongst the parties; Test checked Income invoices and reconciled with the accounting records; Evaluated the adequacy of disclosures relating to the Income earned by the Company.
3	Litigations: The Company operates in an industry, which is heavily regulated by RBI, SARFAESI Act etc., which increases	Our audit procedure included: We evaluated and tested the design and operating effectiveness of the Company's controls with respect to determination of provisions to ensure that they operate effectively.

Information Other than the Financial Statements and Auditors Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include financial statements, and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

J.P., KAPUR & UBERAI

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the **UV Asset Reconstruction Company Limited** ("the Company") as of 31 March, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

J.P., KAPUR & UBERAI

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

a. Bumpur Cement Limited (BCL) is a Non-Performing Asset, which was acquired by our Company on Debt Assignment basis under Section 5 of SARFAESI Act, 2002 from State Bank of India, Central Bank of India and Punjab National Bank and consequently UVARCL became secured creditor of BCL with 100% share in its debt. Pursuant to recovery of our dues, we initiated various recovery proceedings including invocation of pledge of shares by promoters of BCL. Due to the invocation of pledge, UVARCL has acquired shares of BCL and the same is presented as 'repossessed assets held for sale', at the fair value of such shares as on the date of invocation of pledge. The objective of the invocation is not to hold the assets as investments, but to sell them and realise the cash flows, hence the said acquisition of shares is a transitory move, and it will eventually be sold.

b. All SR's are pledged except Trust VI, VII, VIII, IX, XXV, XXXVII, XL, XLI, XLV, XLVII, XLIV, XLVI, L, LI as on 31.03.2026 (P.Y as on 31.3.25 All SRs are pledged except Trust VI, VII, IX, XXX, XXXII, XXXIII, XXXIV, XXXV)
